

Finding our entrance

Our office is located at number 32 of the Lichttoren. Our entrance is difficult to spot from the street since it is located at the corner of the Lichttoren and the ArtHotel, as can be seen in the pictures above. We are renting our office from Igluu. Therefore, the Igluu logo is printed on the door. After going through this door you take the stairs on the left to the first floor. Once there you can report to the reception and they will further assist you.
